

# Sioux City Metropolitan Statistical Area

## Iowa Workforce Development 2019 Profile

### Jobs Summary

In 2018, the Sioux City Metropolitan Statistical Area (MSA) represented 63,416 jobs in Iowa, which accounted for 4.1 percent of covered employment in the state. Trade represented the largest supersector with 11,584 jobs. A majority of those jobs (8,696) were in the retail trade sector, though the sector has lost jobs in the recovery from the Great Recession. Fueled by the healthcare and social assistance sector, the education and health services supersector was a close second with 10,364 jobs. Employment within healthcare was fairly evenly dispersed between subsectors, but the ambulatory health care services was the largest at 3,100 jobs.

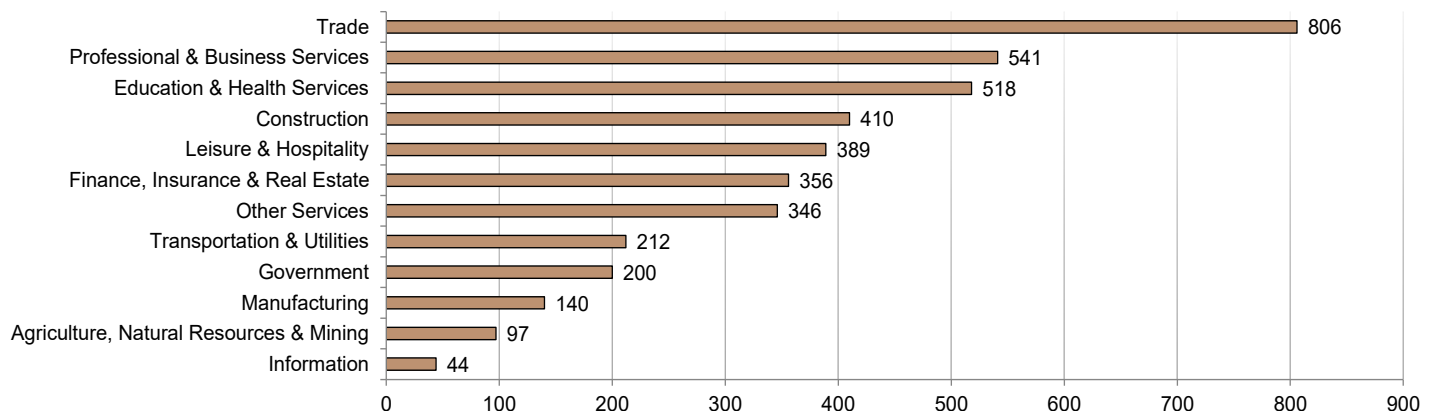

### Average Labor Rates, 2018
